Strategic Imperative

RCC will achieve excellence in leadership, financial stability and growth in its healthcare services to the Regina Community.

Our Stakeholders

1. Recipients of services RCC provides excellent and wholistic care a model that strives to ensure the best possible health outcomes for its patients. RCC will continually evaluate and work to enhance the services offered to our patients and members.	4.2. Community agencies/partners RCC is an innovative, proactive, and trusted partner working with all of our partners with the mutual goal of significantly contributing to a healthy (mental and physical) community.	4.3. Funders RCC provides the best possible value for money in its client-centred care and demonstrates, through evaluation, good healthcare outcomes and impacts. Funders want to invest, or continue to invest, in the RCC.	4.4. Members RCC Members understand and promote the value proposition of membership in the RCC. A significant part of this value proposition is a focus on cooperative principles. RCC will continue to build offerings to our members to help them in their educational and health journeys.	4.5. Community RCC is seen as a go-to resource in the community for unique and productive partnerships that have a positive impact on our community.

Our Finances

1. Financial Sustainability Maintain current sources of revenue by working closely with the Ministry of Health, SHA, and other partners to ensure long-term sustainability of our clinic. Grow reserve funding to 6 months operating revenue while balancing that with strategic utilization of funding. Enhance our visibility and reach out to members for engagement, advocacy, and potential donations. Actively seek out collective, shared approaches and services with the Federation of Cooperative Health Care Centres.	3.2. Financial Growth <ul style="list-style-type: none"> • Establish a renewed funding model to ensure long-term sustainability with an openness to investigating unique partnerships and grant funds that fit within the strategic and philosophical framework established by the Board of the RCC. • Explore low-risk investment tools with Conexus that may provide more opportunities for better returns. • Work with the Ministry of Health on potential growth in funding to enhance physician and other health services at the RCC.
